Date-07.04.2021

An online program on **Internshala** regarding **Career Talk on summer internships in Elite College of Engineering** was held on **30th March 2021**. This programme was meant for all the students from first year to final year.

With discussion with the HOD's it has been noticed that very few students have registered for internships in Internshala. It is therefore highly advised to the students, **specially final year students all branches** kindly register with Internshala with the help of your departmental teachers or training coordinator as internship is mandatory as per AICTE rules.
