

2nd Internal Schedule (5th Semester) FEB - 2023

STREAM	27.02.2023		
	11:30 – 12:10	12:40 – 1:20	2:30 – 3:10
ME	Fluid Mechanics and Machinery	Power Engineering	Advanced Manufacturing Processes
CE	Estimating, costing & valuation	Traffic Engineering	Water Resource Engineering
EE	Building Electrification	Industrial Drives	Microcontroller and it's Application
ETCE	Advanced Communication System	Industrial Electronics	Embedded System
CST	Theory Of Automata	Microprocessor and Microcontroller	Advanced Computer Network
AE	Earth Moving Equipment & Farm Machinery	Fluid Power	Motor Vehicle Act & Transport Management

STREAM	28.02.2023		
	11:30 – 12:10	12:40 – 1:20	
ME	Automobile Engineering	Power Plant Engineering
CE	Safety Engineering & Management in the construction sector	Building Service & Maintenance
EE	Solar Power Technologies
ETCE	Mobile Communication
CST	Internet of Things	Computer Graphics
AE	Modern Manufacturing Process	Automotive Electrical & Electronics

2nd Internal Schedule (3rd Semester) FEB - 2023

STREAM	27.02.2023		
	11:30 – 12:10	12:40 – 1:20	2:30 – 3:10
ME	Manufacturing Processes-I	Thermal Engineering -I	Mechanical Engineering Drawing
CE	Mechanics of Materials	Basic Surveying	Construction Materials
EE	Dc Machines and Transformers	Analog and Digital Electronics	Electrical and Electronic Measurement
ETCE	Principles of Electronic Communication	Electronic Devices and Circuits	Digital Electronics
CST	Computer Programming In C	Data Structures	Scripting Languages
AE	Strength of Materials	Automotive Materials and Manufacturing Process	Heat Power Engineering

STREAM	28.02.2023		
	11:30 – 12:10	12:40 – 1:20	2:30 – 3:10
ME	ME Materials	Strength of Materials
CE	Transportation Engineering	Concrete Technology	Building Construction
EE	Introduction to Electric Generation Systems	Electrical Circuits
ETCE	Computer Programming Language	Electric circuits and network
CST	Computer System Organization	Algorithms
AE	Automotive Engines	Automotive Chassis
